

# I'm A Long Way From Home

Shooter Jennings

I'm a long way from home  
And so all alone  
Homesick, like I never thought I'd be  
I'm a long way from home  
And everything is wrong  
Someone please watch over me

I'm not accustomed to these feelings  
The loneliness is burning in my soul  
Sometimes the mind is so misleading  
I wish I'd stayed at home like I was told

I'm a long way from home  
And so all alone  
Homesick, like I never thought I'd be  
I'm a long way from home  
And everything is wrong  
Someone please watch over me

When Waylon did it, he sang this verse:

I wish I knew the force within me  
That keeps my mind out of control  
What makes me reach for things that I can't see  
I wish I'd stayed at home like I was told
