

# Rich Girls

## Short Stack

I don't know what to do,  
She got me in a trance,  
She got her Jimmy Choo's,  
And I got zero cash

She put her hand in mine,  
She smelt like No. 5,  
These rich girls always gotta way,  
To make you smile and;

It's like all those stupid love songs  
You hear on the radio,  
Oh woah, oh-oh, oh-oh  
I'm just a boy with a disco heart,  
And in her Louis Vuitton,  
I just can't keep my hands off because

She's got expensive love,  
I just can't get enough,  
I gotta say that all these  
Rich girls drive me wild;  
She got expensive bling,  
Tiffany diamond ring,  
I gotta say damn all these  
Rich girls drive me wild

(Oh-oh, oh-oh, oh-oh, oh-oh)  
I gotta say damn all these  
Rich girls drive me wild

I got no enterprise,  
And I'm no billionaire,  
But she got cash that's from her daddy,  
And I just don't care,

About that,  
Or anything but her,  
I care to make her smile,  
Cause she drives me fucking wild  
(Ow!)

She's got expensive love,  
I just can't get enough,  
I gotta say that all these  
Rich girls drive me wild;  
She got expensive bling,  
Tiffany diamond ring,  
I gotta say damn all these  
Rich girls drive me wild

It's like all those stupid love songs  
You hear on the radio,  
Oh woah, oh-oh, oh-oh
