

Silver Screen

Short Stack

They said to stop on the call of the cops,
They said we're making too much noise;
Oh, oh you need a dancer,
(Yeah, yeah, yeah)
I'll be your dancer
(Yeah yeah, Yeah yeah)

Cause all we got is the shots on the rocks,
So baby turn the radio up;
Oh, oh you need a dancer,
(Yeah, yeah, yeah)
I'll be your dancer,
I'll be your romancer

(Hey, hey, hey, hey) x5

Let me,
Make your heart stop,
Make your jaw drop,
Be my leading lady;
Let me,
Be your James Dean,
We'll steal the screen,
Like we're running out of,
Love;
Like we're running out of

(Love)

So imma be the hero you need,
A cellar ride of intamacy,
Oh, oh a revolution,
(Yeah, yeah, yeah)
A revolution
(Yeah yeah, Yeah yeah)

And all the girls like the boys in the bands,
I guess because we're good with our hands,
Oh, oh could I be braver?
(Yeah, yeah, yeah)
I'll be your savior

(Hey, hey, hey, hey) x5
(We'll sing it from the rooftops,
Sing it till we can't stop,
Can't stop x4)

Let me,
Make your heart stop,
Make your jaw drop,
Be my leading lady;
Let me,
Be your James Dean,
We'll steal the screen,
Like we're running out of,
Love

Let me,
Make your heart stop,
Make your jaw drop,
Be my leading lady;
Let me,
Be your James Dean,
We'll steal the screen,
Like we're running out of,
Love

(Let me,
Make your heart stop,
Make your heart stop,
Make your heart stop x2)

Let me,
Make your heart stop,
Make your jaw drop,
Be my leading lady;
Let me,
Be your James Dean,
We'll steal the screen,
Like we're running out of,
Love

Let me,
Make your heart stop,
Make your jaw drop,
Be my leading lady;
Let me,
Be your James Dean,
We'll steal the screen,
Like we're running out of,
Love;
Like we're running out of,
Love
