I'm comin' home, im comin' im comin' home, im comin' ooh-oo(2x)So wrap your arms around me darling Just so you know im comin' down around you darling We've never looked this beautiful. ever. ill be your sweet December ooh-oo (2x)I don't need you when I've got my pride ooh-oo (2x)So cant you see everything you are belongs to me Hey! The city lights were fading I saw her on the pavement Dressed in black and writing wrongs The station played our favorite song, she said I don't think i remember A taste as sweet as this December And i kno-o-o-ow im comin home, im comin home So wrap your arms around me I'm comin home, im comin home To be your sweet December ooh-oo (2x)So cant you see everything you are belongs to me Hey! The city lights were fading I saw her on the pavement Dressed in black and writing wrongs The Station played our faveorite song, she said I don't think i remember A taste as sweet as this December And i kno-o-o-ow im comin home, im comin home ooh-oo Yeah! da-da-da-da The city lights were fading I saw her on the pavement Dressed in black and writing wrongs The station played our favorite song, she said! I don't think i remember A taste as sweet as this December

And i kno-o-o-ow im comin home, im comin home!

ill be your sweet December!
