

Don't Care 'Bout Nothin'

Shotgun Messiah

wake up, time to go to school
where teachers make the rules
but rules are just for fools

I sleep 'till way past breakfast 'cause I'm in the streets at night
arrive an hour too late, that's why teachers always fight
they push me round, they put me down, they treat me like a fool
don't care too much 'bout right or wrong, still I'm the one who's cool

I'm tired of pleasing, I don't care anymore

I don't care 'bout nothin'
nothin' at all
I don't care 'bout nothin'
damn you all

words always some one there
screamin' in my ears
words I hate to hear

"come over to the blackboard and write 100 times
I've been a naughty boy" man, I'd never steal a dime
they push me round, they put me down, they treat me like a fool
don't care too much 'bout right or wrong, still I'm the one who's cool

I'm tired of pleasing, I don't care anymore

I don't care 'bout nothin'
nothin' at all
I don't care 'bout nothin'
damn you all

(solo 1)
Oh god i know it takes longer
School sucks
Really sucks ah!!!

(solo 2)

I'm leavin your damn school
nothin you can do*
sick and tired of you

you teachers better listen 'cause I'll only tell you once
I'm leavin' your damn prison, this here kid is gone
they disagree, they put me down, they treat me like a fool
don't care too much 'bout right or wrong, still I'm the one who's cool

I'm tired of pleasing, I don't care anymore

I don't care 'bout nothin'
nothin' at all
I don't care 'bout nothin'
damn you all

I don't care 'bout nothin'
nothin' at all

I don't care 'bout nothin'
damn you all

I don't care, I don't care
so beware, beware... I don't care
I don't care 'bout nothin'
no, no, no, nothin' at all
