

I Wanna Know

Shotgun Messiah

I wanna know what you feel inside
I wanna know why you hide behind

the shadows of the way you were used to be
the ruins of a theory, an old idea

there's gotta be a better way
it's time to say a different prayer
c'mon, c'mon, let's go now

well, if you ask me I will tell you that it's time now, baby
give me your hand, I promise love will take us home
there is a road and we will know it when we see it, maybe
it is the way to take us back where we belong
don't fear, love will make us strong

I wanna know how you keep it up
I wanna know, know, know, know when you've had enough

you say that we've been here before, can't you see
we never learn from history, obviously

there's gotta be a better way
it's time to say a different prayer
c'mon, c'mon, let's go now

well, if you ask me I will tell you that it's time now, baby
give me your hand, I promise love will take us home
there is a road and we will know it when we see it, maybe
it is the way to take us back where we belong
don't fear, love will make us strong

inside it's just begun
don't wanna see it, yet it opens up your mind
shine as bright as the midday sun

(solo)

there's gotta be a better way
it's time to say a different prayer
c'mon, c'mon, let's go now
c'mon, c'mon, let's go now

well, if you ask me I will tell you that it's time now, baby
give me your hand, I promise love will take us home
there is a road and we will know it when we see it, maybe
it is the way to take us back where we belong
don't fear, love will make us...
don't fear, love will make us strong
strong

love will make us strong
love 1-love 1-love 1-love 1-love 1-love 1-love 1-love 1-love will make us
love 1-love 1-love 1-love 1-love 1-love 1-love 1-love will make us strong

love 1-love 1-love 1-love 1-love 1-love 1-love 1-love will make us strong
love 1-love 1-love 1-love 1-love 1-love 1-love 1-love will make us strong
