

Ride the Storm

Shotgun Messiah

See the skies through misty eyes
Your mind will open the door
Left behind the ties that bind
You stand and wait by the shore

Oh, you cry
You see me die every night
Oh, you fear
I've seen the tears in your eyes
We're not meant to be
I'm far beyond your touch

We, we ride the storm
I'll guide you home
When hope is gone
The night you say goodbye
The angels will cry
You're not alone
We ride the storm

By my side, await the tide
The pain gets lost in the deep
Miss you so, it's time to go
My soul is longing for sleep

Oh, you cry
You see me die every night
Oh, you fear
I've seen the tears in your eye
We're not meant to be
I'm far beyond your touch

We, we ride the storm
I'll guide you home
When hope is gone
The night you say goodbye
The angels will cry
You're not alone
We ride the storm

We ride the storm
I'll guide you home
When hope is gone
The night you say goodbye
The angels will cry
You're not alone
We ride the storm
