

Violent New Breed

Shotgun Messiah

you gotta go with the flow
you gotta do as you're told
you gotta reap what you sow

you better slow down easy
not too fast
you gotta pay your dues, boy
pass the test
and if you think you're immune
you're going down with the rest

the power preaching deceit
rewarding hatred and greed
corrosion
inseminating belief
create a violent new breed
corrosion

well, if you work real hard, show respect
do your duty and don't object
looks like you're fitting the mold
so don't start acting suspect

the power preaching deceit
rewarding hatred and greed
corrosion
inseminating belief
create a violent new breed
corrosion

the power preaching deceit
rewarding hatred and greed
corrosion

rewarding hatred and greed
