

Oh Oh

Shout Out Louds

Oh, oh oh
Oh oh
Oh oh
Oh oh
Oh oh oh

Walking home through the soft light
My brother said I had enough
Feel so down now that it's all done
I wish I'd never looked at all

Don't say that it's over
'Cause nothing ever is
The feelings are strong so pure

Don't say that it's over
'Cause nothing ever is
The memories are real, so close so true

Waking up late in the afternoon
It's already dark in my room
Feel so lost, head in my hands
Still looking through my phone

Don't say that it's over
'Cause nothing ever is
The feelings are strong so pure

Don't say that it's over
'Cause nothing ever is
The memories are real, so close so

Feels like it's clear now
And something is starting
Oh, something is starting

Feels like it's clear now
And something is starting
Oh, something is starting

Feels like it's clear now
And something is starting
Oh, something is starting

No one's here to fear it
And no one's departed
No, no one's departed

Feels like it's clear now
And something is starting
Oh, something is starting

No one's here to fear it
And no one's departed
No, no one's departed
