

Play The Game

Shout Out Louds

My friends, they don't talk to me anymore.
They don't call me anymore
Since I left the shore.

So I drink again.
And I play the game
Like I did yesterday.
Are you the same?
Are you the same?

My friends, I'll never see them again
Until I know what happened back then.
Until someone takes the blame.

So I drink again.
And I play the game
Like I did yesterday.
Are you the same?
Are you the same?

Are you?

Who's at the door?
Who did you open it for?
