

A Night At Daddy Gees

Showaddywaddy

Come on everybody,
We're going down to Daddy Gees!

Well come on everybody,
We're going down to Daddy Gees,
We're gonna do some rock 'n' rolling,
Like you ain't never seen,
So come on, with me,
I said we're going down to Daddy Gees.

Come on little Suzy
I want you to come along too,
Take your shoes off, comb your hair down,
I'm gonna dance on like you,
So come on, with me,
I said we're going down to Daddy Gees.

Feel so good, now your on,
Come on baby, rock me all night long.

Come on everybody,
Gonna have a happy time,
Take your shoes off, comb your hair down,
I know it's gonna work out fine,
So come on, with me,
I said we're going down to Daddy Gees,
Roll it Daddy.

What's his name?
Daddy Gee!

Well come on everybody,
I said we're going down to Daddy Gees,
Gonna do, some rock 'n' rolling,
Like you ain't never seen,
So come on, with me,
I said we're going down to Daddy Gees,
Come on, with me,
I said we're going down to Daddy Gees,
Rock it Daddy...
