

Foolin' Around With My Heart

Showaddywaddy

You know -ow -ow that you got me in a sway
My head is spinning round and I don't know the time of day
My heart wants to love but my head says no
When you're seen with somebody else
You kiss then you run but I can't let go
What you doing baby, what you doing baby

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart

I realise that love is just a game you wanna play
But you are so determined that you're gonna get your way
You're flashing your eyes and you look so good
But girl that ain't everything
'Cos I'm getting wise make it understood

What you're doing baby, what you're doing baby

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart

I know you're a-lying, what goes on when my back is turned
But girl if you play with fire, you're gonna get your fingers b
urned

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart

Fooling around with my heart
Girl you're fooling around and I'm falling apart
I can't take anymore of you fooling around with my heart - whoa
-oh -a -oh -oh
