Why did you say goodbye to me?
Now I'm as lonely as can be.
And as I feel a teardrop fall
I hear your footsteps down the hall
Walking away from me

Why did you say goodbye?
Why did you make me cry?
Now everyday I wonder why
why, why oh why oh

Footsteps
Footsteps
Footsteps
Footsteps

You're such a haunting memory.
I pray that you'll come back to me.
But as I say my evening prayer
I hear your footsteps on the stairs
Walking away from me

Why did you say goodbye?
Why did you make me cry?
Now everyday I wonder why
why, why oh why oh
