

Listen To Me

Showaddywaddy

Listen.

Listen to me.

Listen to me, hear what I say
Our hearts can be, here each day
Hold me darling, listen closely to me.

Life must be, what love can do
Reveal to me, our love so true
Listen to me, listen closely to me.

I told the stars, you're my only love
I couldn't love you more dearly.
The same bright stars in heaven above
Know now how, how sweet hearts can be.

Listen to me, hear what I say
Our hearts can be, here each day
Hold me darling, listen closely to me.

Listen.

Listen to me.

Listen.

I told the stars, you're my only love
I couldn't love you more dearly.
The same bright stars in heaven above
Know now how, how sweet hearts can be.

Listen to me, hear what I say
Our hearts can be, here each day
Hold me darling, listen closely to me.

Hold me darling listen closer to me
