Lookin' Back

Showaddywaddy

Lookin' back on the things we did
I remember when I was a kid
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go
Lookin' back on the things we tried
And we lost and we cried, cried, cried
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go

Lookin' back on the things we did
So what, well I was a kid
One little girl, she broke my heart
Mama said we had to part
I was always late for school
Didn't like it's silly rules, I couldn't wait for the end of term
All my history books I'd burn, I'd burn

Lookin' back on the things we did
I remember when I was a kid
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go
Lookin' back on the things we tried
And we lost and we cried, cried, cried
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go

Lookin' back on the things we did
I remember when I was a kid
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go
Lookin' back on the things we tried
And we lost and we cried, cried, cried
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go

Lookin' back on the things we did
So what, well I was a kid
One little girl, she broke my heart
Mama said we had to part
I was always late for school
Didn't like it's silly rules, I couldn't wait for the end of term
All my history books I'd burn, I'd burn

Lookin' back on the things we did
I remember when I was a kid
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go
Lookin' back on the things we tried
And we lost and we cried, cried, cried
Lookin' back when my daddy said no
Oh yeah Johnny go, go, go
