

Pretty little one

Showaddywaddy

You're in my heart, you're on my mind,
You're so sexy, you're so fine,
You look beautiful, you look sweet,
While you sure swept me right off of my feet.

[Chorus]

Pretty little one you look cute,
Pretty little one you look fine (so fine),
Pretty little one say you will be mine.
Pretty little one I need you,
Pretty little one yes I do,
Pretty little one I'm in love with you

(I'm in love with you, I'm in love with you).

When you dance, you're the ballroom queen,
You're so sexy, (you're so sexy) in your tight jeans,
Your big brown eyes, lips like wine,
Oh I sure do hope you're the loving kind.

[Chorus]

And when I say I'm gonna get you,
I mean it's something I'm gonna do,
I'll keep on trying till I get you,
Because I love you.

(You're in my heart) you're in my heart,
(You're on my mind) on my mind,
(You're so sexy) you're so sexy,
(You're so fine) you're so fine,
(You so beautiful) you so beautiful,
(You so sweet) you so sweet,
Well you sure swept me right off of my feet.

[Chorus: Repeats]
