

Say Mama

Showaddywaddy

Say mama can I go out tonight,
Say mama it's gonna be alright,
Well there's a rock 'n' roll party going down the street,
Say mama can you hear that beat
With a whoa oh oh and a whoa oh oh oh oh.
Say mama don't you look that way,
I know just what you're gonna say,
There's a rock 'n' roll party going down the street,
Say mama can you hear that beat,
With a whoa oh oh and a whoa oh oh oh oh.
Say mama it's gonna be alright,
Say mama gonna rock tonight,
Well there's a rock 'n' roll party swinging down the street,
Say mama can't you hear that beat,

With a whoa oh oh and a whoa oh oh oh oh.
Say mama don't you look that way,
I know just what you're gonna say,
Well there's a rock 'n' roll party going down the street,
Say mama can you hear that beat,
With a whoa oh oh and a whoa oh oh oh oh.
Say mama can I go out tonight,
Say mama it's gonna be alright,
Well there's a rock 'n' roll party swinging down the street,
Say mama can't you hear that beat,
With a whoa oh oh and a whoa oh oh oh oh,
With a whoa oh oh and a whoa oh oh oh oh,
With a whoa oh oh and a whoa oh oh oh oh.
