

# You Got What It Takes

Showaddywaddy

You don't drive a big fast car  
And you don't look like a movie star  
And on your money we won't get far  
But baby, yeah yeah.

You got what it takes, to satisfy  
You got what it takes to set my soul on fire  
But, oh woah woah woah woah yeah  
you got what it takes for me.

Now you don't live in a beautiful place  
Now you don't dress with the best of taste  
And nature didn't give you such a beautiful face  
But baby, yeah yeah.

You got what it takes, to satisfy  
You got what it takes to set my soul on fire  
But oh woah woah woah woah yeah  
You got what it takes for me

Now when your near me  
oooo weee  
my head goes around and around,  
Now when you kiss me  
oooo weee  
my life comes tumbling down.

Now you don't drive a big fast car  
You don't look like a movie star  
And on your money we won't get far  
But baby, yeah yeah.

You got what it takes, to satisfy  
You got what it takes to set my soul on fire  
But oh woah woah woah woah yeah  
you got what it takes for me.

Now when your near me  
oooo weee  
my head goes around and around,  
Now when you kiss me  
oooo weee  
my life comes tumbling down.

Now you don't live in a beautiful place  
And you don't dress with the best of taste  
And nature didn't give you such a beautiful face  
But baby, yeah yeah.

You got what it takes, to satisfy  
You got what it takes to set my soul on fire  
But oh woah woah woah woah yeah  
You got what it takes for me, oh yeah,  
You got what it takes for me, that's right  
You got what it takes for me.
