Hm hm hm hm
Hm hm hm

Written clearly on the wall
I saw it there one day
Most know the truth of our life
And most are afraid to say
Some live, some die
Some are waitin' for their time
Some hope, some cry
Some are raging through their fires
Some despair, some are lost
Some will never ever find
Some don't care what it costs
Some are payin' with their lives

Amen
Amen
Amen, Amen, Amen

Amen
Amen
Amen, Amen, Amen, woh

Sometimes you want to speak
And the truth get stuck in your throat
Sometimes you do the right thing
And Lord, sometimes you don't
Some live, some die
Some are waitin' for their time
Some hope, some cry
Some are raging through their fires
Some despair, some are lost
Some will never ever find
Some don't care what it costs
Some are payin' with their lives

Amen
Amen
Amen, Amen, Amen

Amen
Amen
Amen, Amen, Amen, woh

Some say it too little
Some say it too much
Some say it just enough for every one of us

Amen
