

# What Is Love

Showtek

What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?

We jumped in without thinking  
Head first into those feelings  
But who knew that we were sinking  
Oh, why do we fighting for?  
Why do we fighting for?

You kiss me like a [?]  
'Cause we're too far  
Into the deep end  
But real love is never easy  
Oh, why do we fighting for?  
Why do we fighting for?

What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?  
What is love  
(What is love)  
Without someone  
To love you  
Could you love me  
In the way I love you?

What is love?  
What is love?

Drifting out in the open  
'Cause you gave me  
Top of the dosage  
But I be with you  
When I see morning  
So what am I fighting for  
What am I fighting for

What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?  
What is love  
(What is love)  
Without someone  
To love you  
Could you love me  
In the way I love you?

Love me the way I love you  
(What is love)  
(The way I love you, I love you)

(What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?)  
(What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?)

What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?  
What is love  
Without someone  
To love you  
Could you love me  
In the way I love you?

(In the way I love you)
