

# Boomerang

Shwayze

I come and go like a boomerang  
Set me free and I'll come back again  
To and from like a freight train  
Stoppin in your town

I walk in the place, stuck in outterspace  
Talkin to my friends they don't know what I say  
I'm in the ocean duck, divin the waves  
I'm on a mountain been climbin for days  
The top of the world is just up the way  
Said the blind man wavin a sage  
Chapter five, 29th page  
Time ain't the only thing move in the day  
I gotta go gotta get away  
Let the sunset just set away  
On the deck tryna catch a ray  
Some girl in a dress will say

Please don't leave me  
Please don't leave me (woah)

Stop n go it's just rock n roll  
Soul brother on the yellow brickroad  
Dressed up, ready to go  
With my hair messed up and some regular clothes  
Guess what? I'm strikin a pose  
So you can make a statue I suppose  
Lights camera then I froze  
Thoughts of you in my head arose  
She loves me like a pedal on a rose  
I love her not last pedal on the floor  
On the deck tryna catch a ray  
Some girl in a dress will say

Please don't leave me  
Please don't leave me (woah)

(woah)

Believe me this time I'm leavin  
For a little bit longer than a weekend  
And when you see me, I'll be rockin  
On your tv I know you're watchin  
And I'll be thinkin of you often  
Everytime that I see a rose blossom  
On the deck tryna catch a ray  
Some girl in a dress will say

Please don't leave me  
Please don't leave me (woah)
