

Get Money 4Life

Shy Glizzy

[Hook: Jefe]

You a fuckin' fraud, you ain't a real nigga
I'm a big dawg, you a lil nigga
I got some real goons, they like to kill niggas
I had to leave that hoe alone I couldn't deal with her
I'm just a young nigga from the Southside
I'm rockin' with my niggas from the Northside
A nigga play with us yeah and they gon' die
Ain't no fucking going broke get money for life

[Verse 1: Jefe]

Yeah I got that juice, bitch I don't fuck with you
It's friday I'm getting high I feel like fucking Cube
And I been getting money, since junior high school
Boy your school was private couldn't go to my school

These niggas hate me now just cause I made it out
They say I'm too powerful they wan come lay me out
Dope boy up hit it what the fork
Got a bad bitch she live in New York

Let that bag talk, bitch I do my cash walk

[Hook: Jefe]

You a fuckin' fraud, you ain't a real nigga
