

# White Lie

Shy Glizzy

(Zaytoven)

I told you I was goin' home, I seen tears in your eyes  
You know you're just my side bitch, I can't stand to tell you goodbye  
Yes, I'm fed that I'm leavin' you, I was just between your thighs  
'Cause I gotta get home to my baby, you're just another white lie

I know you're mad at me 'cause I let you try me  
And we took a lot of pictures, couldn't let you tag me  
And I pay a lot of bills, I ball like Bradley  
Big ole' spot in the hills where they call me "Your Majesty"  
Heard them thugs comin', surly my opps, they love runnin'  
I mean got no love from me  
I quit and left this bitch, she on the same shit  
But that's what you get, to your main bitch

I told you I was goin' home, I seen tears in your eyes  
You know you're just my side bitch, I can't stand to tell you goodbye  
Yes, I'm fed that I'm leavin' you, I was just between your thighs  
'Cause I gotta get home to my baby, you're just another white lie

Oops, cuffed the rebound  
Bitch gon' hold me down  
Why you tryna ghost me now?  
Actin' like you wholesome now  
Spendin' all that time in the , lil' bitch, better get some guns now  
Remember you had a man, I was fuckin' on you the whole time  
This my last kit, sincerely real nigga for life  
Real nigga for life, yeah dirty bitch, had to say that twice  
Used to eat that pipe, still watch how I move when I dim my lights  
Don't believe the hype  
Bitch, the fuck? Is you stupid? Think you could be my wife

I told you I was goin' home, I seen tears in your eyes  
You know you're just my side bitch, I can't stand to tell you goodbye  
Yes, I'm fed that I'm leavin' you, I was just between your thighs  
'Cause I gotta get home to my baby, you're just another white lie
