Uh huh, Uh huh, Brooklyn Vietnam What you, Uh yeah, Uh, Come on

Oh no, big Shyne Po Back up in the motherfuckin heezy for sheezy Gimme a tech that don't jam (bang bang) I'm tryin to jucks some more grams and work this whole thing My minds poisoned, corrupted and diseased 360 ki's Money make the world spin I make your chest smoke Have your mother singing hymms Particles of your brains up on your tims Kiss you before I twist you 170 miles Headed for disaster faster I put it down right Bustin off these rounds like Real niggaz is kings You ain't rockin' that crown right Harder more PK watches Topless, bitches in cars Only meals could heal my scars

Niggaz wanna rhyme like shine like me
They supposed to
Niggaz wanna bust their guns like me
They supposed to
Niggaz wanna grind like crime like me
They supposed to
Niggaz wanna mash like me, dash like me

Allegations got me pacin' Grand jury wouldn't understand my fury For fast cars and jewelry I could give a fuck if there's a heaven for a G This is heaven for me Go to trial never plea Do a bullet and come home to the throne I don't rhyme, I just talk about this life that's mine I've seen niggaz die, in front of my eyes Doin' my filth Niggaz is expiring like milk Different strokes for different folks Just give me, different coke in different boats Black Aristotle Onassis All I see is crack addicts and automatics You rap niggaz is faggots Y'all cannot be serious I'm in coupes with gucci interiors Airin' out your areas Tech nines, two in the flex and shit Lookin' at myself like Yo, I'm the best in this
