Sicko

She's got a hipster boyfriend and he wears some black clunky shoes  
And he likes to smoke American Spirit cigarettes  
And he's got a gas station jacket that says his name is MOE  
And he hangs out at all the Punk Punk Punk Punk Punk rock shows

And she loves him so...  
she's got a hipster boyfriend and he drives a white dodge dart  
When they go out shopping at thrift stores  
And they wear \*"slanted plastic glasses" when it's bright  
And they're gonna go home and read Gearhead tonight
