

If I'm Vacant

Sicko

You could scream and scream and scream at me
For years on end
And never collide
Cause it's all good
If it's understood
That all your rage just makes me hide
if I'm vacant
Figure it out
If I'm vacant
I shut down when you start screaming
and do what you want to do
Say what you want to say
I don't care if you scream at me
It's all good if it's under stood
That I don't hear you when you scream at me
if I'm vacant
Figure it out
If I'm vacant
I shut down when you start screaming
You could scream and scream and scream at me
For years on end
And never collide
Cause it's all good
If it's understood
That I don't even hear your side
And do what you want to do
Say what you want to say to me
