

# Change This Heart

Sidewalk Prophets

I've been trying to run away from this false reality  
No matter where I turn my back you're always right in front of  
me

So I push you away, but I don't know that I'm wrong  
I don't know the words to say to make my faith that strong

So I will pray to you right now  
To take away my sin  
Heal away my brokenness  
And change this heart again

Without you I am nothing  
But a weak and dying man  
So I will pray to you right now  
And change this heart again

What is going through the motions  
If my life is still the same  
Everyday's the same old puzzle  
All the pieces re-arranged  
And I refuse your help  
Out of my own selfish pride  
Lord I have so many masks  
To cover up and hide

So I will pray to you right now  
To take away my sin  
Come heal away my brokenness  
And change this heart again  
Without you I am nothing  
But a weak and a dying man

So I will pray to you right now  
Come change this heart again

So I will pray to you my Lord  
To change this heart again
