

# Merry Christmas To You

Sidewalk Prophets

Snowballs flying through the air  
Crashed my sled but I don't care  
Nothing in this world could make me blue

Snowmen out on the front lawn  
lift their hands and sing along  
Merry Christmas to you  
Merry Christmas to you

Grandpa snores loud as choir  
Stockings hung above the fire  
You got socks and I got a kazoo

Cookies baking in the stove  
Let's go hang out by the mistletoe  
Merry Christmas to you

Christmas only comes but once a year  
The happiest of days is finally here  
So come on sing it out  
Let's give love that's true  
Merry Christmas to you

I hear a noise up the roof  
Might be the sound of reindeer hoofs  
The kids all know, I know it's you know who

Above it all the angels sing  
Glory, glory to the King  
Merry Christmas to you

Christmas only comes but once a year  
The happiest of days is finally here  
So come on sing it out  
Let's give love that's true  
Merry Christmas to you

Christmas only comes but once a year  
The happiest of days is finally here  
Jesus, you were born  
And gave us love that's true  
Merry Christmas to you
