

Soldier On

Sidewalk Prophets

Oh, our soles
They travel all these miles
Over mountains they go
Through the valleys below
Just trying to get back home

And oh, our souls
Are fighting everyday
There is no safe place
But unmerited grace
And a Savior that calls us His own

When the night pours in and the stars grow dark
We will not give up
We will find the spark
Through the wounded hearts
Through our eyes are blind
We fight to make it home
And lift this battle cry

We gotta soldier on
We gotta soldier on
We will soar on wings like eagles
And rise in the name of love

We gotta soldier on
We gotta carry on
Though the journey's long
Still our faith is strong
Let it rise in the name of love
Soldier on...

Oh, our hearts
Can tear our fear with peace
When we want to turn back
In the heat of attack
There's a courage that will not cease

Oh, our strength
It grows from the spirit within
And our enemy shakes
Cause we've won the day
Before it even begins

So we raise our flag
And we charge that hill
As the bullets fly
As time stands still
No, we cannot lose
Cause our death is gain
We fight to stand beside
The King of Kings

We gotta soldier on
We gotta soldier on
We will soar on wings like eagles
And rise in the name of love

We gotta soldier on
We gotta carry on
Though the journey's long
Still our faith is strong
Let it rise in the name of love

I can do all things through Him
Through Him who strengthens me
Through Him I can do all things
Through Him I can do all things

I can do all things through Him
Through Him who strengthens me
Through Him I can do all things
Through Him I can do all things

We gotta soldier on
We gotta soldier on
We will soar on wings like eagles
And rise in the name of love

Soldier on
We gotta carry on
Though the journey's long
Still our faith is strong
Let it rise in the name of love
Soldier on
Yeah
