

Don't Feel Like Crying

Sigrid

I know I should be ordering takeout
Sitting on my couch, that's what you do
I know I should be all in my feelings
Staring at the ceiling, but here's the truth

Wallowing in it would be such a waste
That isn't gonna fix it anyway

No, ooh, yeah
I dry my eyes 'cause I don't feel like crying
Ooh, yeah
At least tonight, no, I don't feel like crying

Hope you don't blame me for what I'm saying
My heart is aching, do you feel it too?
I hope you understand that I'm dealing
It's my way of healing, but here is the truth

Wallowing in it would be such a waste
That isn't gonna fix it anyway

No, ooh, yeah
I dry my eyes 'cause I don't feel like crying
Ooh, yeah
At least tonight, no, I don't feel like crying

(Ooh)
It hasn't hit me yet, and I know if I go home I'm gonna get upset, ye
ah
It hasn't hit me yet, and I know if I go home I'm gonna get upset
(Ooh)
It hasn't hit me yet, and I know if I go home I'm gonna get upset
At least tonight, no, I don't feel like crying

Wallowing in it would be such a waste
That isn't gonna fix it anyway

No, ooh, yeah
I dry my eyes 'cause I don't feel like crying
Ooh, yeah
At least tonight, no, I don't feel like crying

It hasn't hit me yet, and I know if I go home I'm gonna get upset, ye
ah
It hasn't hit me yet, and I know if I go home I'm gonna get upset
It hasn't hit me yet, and I know if I go home I'm gonna get upset
At least tonight, no, I don't feel like crying
