

Demon Seed

Sigue Sigue Sputnik

I have the demon seed Shootin outa my head I've got a love machine
That's gonna knock ya dead I can't win or loose U want me instead
Ya get down on ya knees Pleasure me baby please

U got what I want U got what I need A litte piece of everything
I'm the demon seed

Let the demons out Let the demons fly Let the demons out Let the
demons fly

G G G Gimme more U take it like a whore U send my senses wild
An X rated child U know u like it rough I can't get enough I am
the kind of sleaze U give me what I need

U got what I want U got what I need A litte piece of everything
I'm the demon seed

Let the demons out Let the demons fly Let the demons out Let the
demons fly

It's what it's all about U make me scream and shout I wanna shake
it loose I gotta shoot some juice

U got what I want U got what I need A litte piece of everything
I'm the demon seed

Let the demons out Let the demons fly Let the demons out Let the
demons fly

Let the demons out Let the demons fly Let the demons out Let the
demons fly

Out demons out Out demons out Out demons out Out demons out
Out demons out Out demons out Out demons out Out demons out

U got what I want U got what I need A litte piece of everything
I'm the demon seed

Let the demons out Let the demons fly Let the demons out Let the
demons fly

Let the demons out Let the demons fly Let the demons out Let the
demons fly

Let the demons out Let the demons fly Let the demons out Let the
demons fly
