

# Frankenstein Cha Cha Cha

**Sigue Sigue Sputnik**

She's my silicone sensation  
She's my secret transformation  
My sex creation built to bid the cry  
Frankenstein Frankenstein  
Beware of the imitation  
All I want is easy action Frankenstein  
She's a soft-eyed Cinderella  
She's the beastie Barbarella  
Tell her she's a gift from Frankenstein  
Hey hey Frankenstein  
Hey hey Frankenstein  
Hey hey thank you Frankenstein  
And if I asked you  
And if I asked you  
Is she half as twice as nice as Frankenstein

Like a Mona Lisa  
A sex changed Amnesia  
Scrooge, I wanna be my Frankenstein

Hey hey  
Frankenstein Frankenstein  
God I wish that you were mine  
The backstage never looked so so divine

Hey hey Frankenstein  
Hey hey Frankenstein  
Shoo, shake  
And sending shivers down my spine  
Hey hey Frankenstein  
What's waiting I haven't got the time
