So glad u made it Welcome to the 21st century So glad u made it
Welcome to the 21st century So glad u made it Welcome to the 21st century So glad u made it
Welcome to the 21st century So glad u made it Welcome to the 21st century So glad u made it
Welcome to the 21st century

The world is yours n mine Welcome to the 21st century

Welcome to the future The future's lookin bright for u and me

Welcome to the future The future's lookin cool for you and me

Welcome to the future A world of endless possibility

All this and more Tomorrow just belongs to u and me

Welcome to the future Full of joy n supa extacy

So glad u made it Welcome to the 21st century

The world is yours n mine Universal, cosmic imagery

Welcome to the future Welcome to the future Welcome to the future
