

How can you be so indifferent  
I can't believe you meant what you said  
I may not be your dreamy prince  
But I don't deserve any of this

So hey... Hey...  
You don't have to be cruel  
You don't have to use those words  
For long I've been a fool  
But now i can see clearly who  
Comes first

We used to go out and drift away  
You always had nice things to say  
Now we don't even talk anymore  
Nothing is like it was before

But hey... Hey...  
You don't have to be cruel  
You don't have to use those words  
For long I've been a fool  
But now I can see clearly who  
Comes firts...

Those words... comes first...
