

Old Letters

Silence 4

I'm reading old letters
I thought it would be better
You said that you loved me
You wrote it down

My body is weak
And if my body is sick
I don't want to get out
I don't want to stay at home
(I don't want to be alone)

I don't want to burn them
I don't want to read them
Old letters
I don't want to read them

But I do
And I burn
For you

I'm reading old letters (I know that I shouldn't)
I thought it would be better (if I put them away)
You said that you loved me (I take them again)
You wrote it down (they take away the pain)

And I burn
Yes I burn
For you
