Amber Sea

Silent Stream of Godless Elegy

Amber Sea
Half a Thought
Halfway to the Truth
Wet Colour

I think about It

I'm afraid of Reality Diverting the Brush but I feel Weakness All the long Time

I think about It

I'm afraid of this False Immovability
I hear no Voice
I hear no Surge
I'm afraid of Reality

Amber Sea Half a Thought Halfway to the Truth Wet Colour

You think about It!
