Silk

Girl, why don't you  
give our love our a chance  
girl, why don't you  
(why don't you)  
just give our love a chance

I know that you done  
the best that you could (could)  
give me your heart  
if you could give me your heart  
I know that you would (would)  
listen,  
and I can't say for myself  
that I been good  
but all you gotta love me baby (love me)  
you gotta (need me)  
you gotta wanna (hold me)  
baby baby, squeeze me  
for the love, that i gave  
to you  
baby for the love that i gave  
to you  
baby, for the love  
to you  
ooh baby  
hey baby

And I must admit  
your looking fine(fine)  
look in my eyes  
but if you look in my eyes  
you know that i been cryin(cryin)  
yes you will  
how do i cry  
oh, my baby  
but this time i'm gonna be  
so true  
but all u gotta love me baby  
love me  
I need u in the worst way baby  
need me  
I want you stay baby  
hold me  
squeeze me  
talking  
for the love  
that i gave  
to you  
baby  
for the love  
that i gave  
to you  
put it right here baby  
why you wanna leave me lady  
come on back, i know  
talking  
whatever you want from me girl

for you  
indistinct  
for the love  
that I gave  
to you  
talking distinctly
