Silk

Ooh, la la la la la lullaby, baby
This is Silk's nursery rhyme, baby
La la la la la lullaby, well, well, oh
Check it out

This one's dedicated to my first love
Baby, baby, baby, baby
Don't you know you drive me crazy
With your sexy body lady, lady

Would you like for me to creep over to your crib
Just say when, say when
I would like to be the one who loves you down
And serenade your sexy body with this nursery rhyme

Hush little baby don't say a word
Silk is gonna buy you a mocking bird
And if that mocking bird don't sing
Silk is gonna buy you a diamond ring

If that diamond ring don't shine
I guess I'm gonna have to give you something else of mine
Would you like that, would you like that
You can have this, if you want this
I'm gonna give you lovin', lovin' is what your body needs

Oh, if you let me come over, pretty thing
You can play the name game
Don't you know that [Incomprehensible] I can't wait [Incomprehensible]
That's what you'll be saying and you know that I'll be staying

So conjunction, junction was your function
Do you want me girl, do you need me girl
Ooh, baby girl, I'm on my way
And when I get there, this is what I'm gonna say

Hush little baby don't say a word
Silk is gonna buy you a mocking bird
And if that mocking bird don't sing
Silk is gonna buy you a diamond ring

And if that diamond ring don't shine
I guess I'm gonna have to give you something else of mine
Would you like that, would you like that
You can have this, if you want this
I'm gonna give you lovin', lovin' is what your body needs

I love you, you love me
Can we go and play a game of hide and seek
So baby close your eyes, count to five
If you find me, you better treat

I want you, you want me
Baby can we, you and me fulfill our fantasy
'Cuz without a doubt, you're the one
The only one to make me go
Five, four, three, two, one

Ready or not, baby here I come

Hush little baby, don't say a word
Silk is gonna buy you a mocking bird
If that mocking bird don't sing
Silk is gonna buy you a diamond ring

And if that diamond ring don't shine, it don't shine
I guess I'm gonna have to give you something else of mine
Oh oh, baby, would you like that, would you like that
You can have this, if you want this
I'm gonna give you lovin', lovin' is what your body needs

Would you like that, would you like that
You can have this, if you want this
I'm gonna give you lovin', lovin' is what your body needs

Would you like that, would you like that
You can have this, if you want this
I'm gonna give you lovin', lovin' is what your body needs
[Incomprehensible]

Hope you enjoyed Silk's nursery rhyme
