Lady, lady
I'm checkin' for you
I'm checkin' for you
Lady, lady
You should be treated like

I've been seein' her at the bar lately She's been kickin' by herself lately But on the normal, I wouldn't be shady And try to pick up on someone else's lady, yeah

Oh, I said but she was all alone
Oh, I was chillin' with my crew and
Oh, I wanna take her home with me
Shine her up with my rings, bling, bling

I said, oh, I wanna lick you on your toes and Oh, I wanna buy you jiggy clothes and Oh, I'll throw some ice up on your hand, girl Treat you like a real man can

You should be treated like a lady
Oh baby, don't let him do you wrong
Listen to the song, I said my word is bond, say
You should be treated like a lady
You should be treated right, baby, baby
Don't let him do you wrong
Listen to the song, it goes on and on
Treated like a lady

Now I been waitin' here patiently Tryin' to figure out what to say I think I'll send you a drink 'Cuz you're lookin' so sexy

Can we catch up on things
I think you ought to be treated like a queen
And if you're receiving less than that
You can always leave

Oh, she was all alone
Oh, and I was chillin' with my crew and
Oh, I wanna take her home with me
Shine her up with my rings, bling, bling

I said, oh, I wanna lick you on her toes and then Oh, I wanna buy her jiggy clothes Oh, I'll throw some ice up on her hand and Treat you like a real man

You should be treated like a lady Climb on my rainbow 'cuz I promise fantasies If you come with me
You should be treated like a lady
We can do it on and on and on
And on, on, on, on

You should be treated like a lady
Climb on my rainbow 'cuz I promise fantasies
If you come with me
You should be treated like a lady
We can do it on and on and on
And on, on, on, on

Hey, don't you give up on love
Said baby, baby, hey
Won't you give me one shot at lovin' you
I just wanna give the world to ya
I wouldn't control ya
Just wanna roll with ya
Roll with you, roll with you

Never give up on love
I said baby, baby, baby
Won't you give me one shot at lovin' you
I just wanna give the world to ya
Don't wanna control ya
Just wanna roll with ya
Roll with you, roll with you

And get cozy wit'cha, yeah, hey yeah Help me sing Hey yeah, hey yeah Hey yeah, hey, ooh yeah Hey yeah, hey, ooh yeah

You should be treated like a lady Baby, you know I'll treat you right I won't do you wrong Listen to my song Girl, my word is bond
