U know what I'm bout
U know what I'm bout
Yo Silkk ask Trina can she wobble that thing...

Who you know could give it to you until you fall out

Where my niggas yo? Where my ladies yo?

When you wake up - go by the mall out Hop on the plane sperm or nothing never thawed out Have her saying my name like Destiny's Child Cause I go all out Speaking more sex than money so talk with your tongue out And sex unbelievable, plus the money never run out I'm a thug so I walk the street with my gun out Top up when the sun set, top down when the sun out oh you want me, pushing up your number on the slick Try to make the scene when I was in front of the click how bout I pull the thongs off in the summer and shit Laughing at my joke when it wasn't even funny and shit She need a t-mac ms shaq she think that I ball She know I'm a real nigga, plus she love that I'm tall Checks again when she missed the phone, thinking I called She wanna fall for me look, but she think I'm a dog

Need somebody with some doe
That's cool
Who gon keep it on the low
That's cool
Who gon do you right
That's cool
You need a soulja in your life, that's right

You need a lover and a friend That's cool
Who got ya back to the end
That's tru
Somebody that's off the chain
That's cool
Who could twurk that thang

You wanna fuck that's cool but you gotta be the greatest Take me the Prada, buy my the latest Try it on the jet, fly me to Vegas The Baddest Bitch can't nann hoe fade this Paid bitch, in a gray six, made bitch Blinging about 10 karats in the bracelet Face it stick your tongue out I let you taste it And if you broke when you see me nigga don't say shit Cause I'm looking for a nigga that's filthy rich Yo name Silkk, that's cool I'm a Silky bitch Lil Mama stay shining like cuts in ice Off glass make you bust three nuts in a night And when I put it on ya, I hope you can stand it I need a tune-up daddy is you the mechanic? Cause if you coming at me right with the real cash You can play with me all night like Dreamcast

You need a lover and a friend That's cool
Who got ya back to the end
That's tru
Somebody that's off the chain
That's cool
Who could twurk that thang

Need somebody with some doe
That's cool
Who gon keep it on the low
That's cool
Who gon do you right
That's cool
You need a soulja in your life, that's right

Your friends wonder why the house you never leaving
They knew wut you gettin in life now they wouldn't leave the house either

See I'm a real ass chick I'm a stay by your side And when its time to ride for my man, I'm a ride

Just be a down chick cause you aint gotta slave in fact - Not cook, clean or nothing cause I got maids for that

Just treat me how you wanna be treated cause if I suck it and fuck it you gon' beat it and eat it

So I gots to put it on ya, have ya acting all silly
Then try to convince yourself that you aint catching feelings
I need a girl who bout it and know how to hit it
You aint gotta scheme on the doe,
cause if ya cards right, you gon get it
Some chicks aint real though, (Some niggas'll stunt)
I know what a woman need, (I know what a nigga want)
So keep it tight, and fuck the world
And who ever end up with me, that's one lucky girl

Need somebody with some doe
That's cool
Who gon keep it on the low
That's cool
Who gon do you right
That's cool
You need a soulja in your life, that's right

You need a lover and a friend That's cool
Who got ya back to the end
That's tru
Somebody that's off the chain
That's cool
Who could twurk that thang

Burrrrrrraaaaaahhhhhhh stick it Ha ha ha stick it Burrrrrrraaaaaaahhhhhhh stick it Ha ha ha stick it Shake it, shake it, pop it pop it Brake it, rake it nah, drop it drop it Twurk sumin, work sumin Keep it jumpin, but don't hurt nothin
North, South, East, West, shake it up
No Limit...
