

# The Taste of Sin

Silverlane

Every night a dream reminds me of what I've done and of  
what I am

The years have passed but I still clearly see every  
detail of the guilt of mine

I can't erase the things I've done so far away  
And I beseech you: "Save me!"

Calling for you!  
Rescue my soul when I'm calling for you!  
The taste of sin!  
Calling for you!  
Please take it all away, I'm calling for you, my God!

Everywhere sinful shadows around me, I try to stop, but  
I just can't resist  
I feel the sweet taste of temptation and its all around  
me now.

I still try to forget the things I've done, so far  
away.  
But my consiensce just kills me.

Calling for you! ...

In the silence of the night, my thoughts still hold me  
tight  
No, I can't forget them. Please make them go away!

I can't erase the things I've done so far away and  
My consiensce just kills me.

Calling for you! ...
