

Call It Karma

Silverstein

C **Emi**
Blame it on the weather, but I'm a mess
C **Emi**
And this February darkness has me hating everyone
C **Emi**
And I know I need your comfort, but this drama makes me sick
C **Emi**
And the longer I lay here I know it's harder to get up
Ami
without you

C
Lose another day here
Emi
Lose another year here
G
I'm with you

C **Emi**
Find me something out there that's making sense
C **Emi**
And it's just another trend carefully hidden in your dress
C **Emi**
And the cycles neverending and the fashions overdone
C **Emi**
And the further that I run away, the further I'll come back
Ami
to shelter...

C
Lose another day here
Emi
Lose another year here
G
I'm with you

C **Emi** **C**
You are the fire on my apartment floor
Emi **D** **C**
Sixteen stories, I'd rather burn than fall
Emi **C**
It isn't fate that took us all by storm
Emi **G**
It's just the turn of a card

C **Emi** **Ami**
