

## Here We Are (Chancer)

Silversun Pickups

Here we are  
Underneath a million leaves  
In shadows of  
Compromising scenes

When I was young  
I dreamed this would be  
Steamier

But I've got one chance to move you  
One chance to move you  
So here we are

I'm running out  
Of sounds to let you down  
I can't call it all  
Or gain higher ground

Luck of the draw  
Is all that's allowed  
Is it easier?

If it's the right time to lose you  
Right time to lose you  
So here we are

Here we are  
Here we are  
Here we are (The right time?)  
Here we are

I've got one chance to move you  
One chance to move you  
Is it the right time to lose you,  
Right time to lose you...
