

Living Dead

SiM

You need somebody to keep you alive
Other's misery tastes like honey for you
You're such a poor fish

(Hey) Linving dead, come back to life
Tell me what is in your eyes
You're living dead, I'm sick of lies
Say what is in your eyes

You dig it, you dig it now who I singing to
Don't pretend to be a victim of society
You are just a dog of a compagny

(Hey) Linving dead, come back to life
Tell me what is in your eyes
You're living dead, I'm sick of lies
Say what is in your eyes

You want it more, more and more
You want money more and more

Working for a compagny like a dog
Betraying all who trust you
What did you get from them ?

(Hey) Linving dead, come back to life
Tell me what is in your eyes
You're living dead, I'm sick of lies
Say what is in your eyes

You're a victim of society
I'm sorry for this tragedy
Just working for a compagny
Just working for a compagny
Like a dog
