

March of the Robots

SiM

Do you love me? Yeah
Do you really love me? Yeah
Do you like sushi? Yeah
Do you like steak? Yeah
What what kind of food do you hate? Yes
I said "what food do you hate?" Yes
do you hear me? Yes
do you hate me? Yeah

Robot, robot, there's another robot
Robot, robot, march of robots
Robot, robot, there's another robot
Robot, robot, march of robots
Robot, robot, robot, robot,
Robot, robot, march of robots

You got a brain to think about today
You got eyes the choose the way
You got your body to run off the rails
But you're always afraid to fail
