

oh-oh, oh-oh  
I swear to God, there ain't no plan to start a riot  
oh-oh, oh-oh  
we need freedom, yeah we need freedom

watch your back  
panda cars are rolling  
these cats keeps watching from behind the walls  
if we're attacked  
nothing will hurt but my wallet  
next town is still hundreds of miles away

oh! oh-oh-oh oh!  
trust me it wasn't my plan to start a riot  
oh! oh-oh-oh oh!  
this is not a plane without a pilot

watch your back  
there's a shady dancer  
I can sense he's a fucking infiltrator  
if we're attacked  
nothing will hurt but we're gonna be homeless  
sex industry law is hopeless

oh! oh-oh-oh oh!  
trust me it wasn't my plan to start a riot  
oh! oh-oh-oh oh!  
this is not a plane without a pilot

why can't we dance?  
why can't we dance?  
it's just a dance

you can't change what we believe, so leave our home  
you must be a fool to think somebody's stoned here  
there is no plan to choke you with a rope  
I hope you get the grasp there ain't no crime to expose  
budy bye bye

don't want to be boy, always saying "yes, sir"  
don't want to be girl, controlled by her dresser  
we don't need no authorization, do what you want

when you finish your work  
come and join the party

oh! oh-oh-oh oh!  
trust me it wasn't my plan to start a riot  
oh! oh-oh-oh oh!  
this is not a plane without a pilot
