

Anticipation

Carly Simon

D G D
1. We can never know about the days to come

D G A
But we think about them anyway, yeah

D G D
And I wonder if I'm really with you now

G Em A D
Or just chasin' after some finer day

G A D
R: Anticipation, anticipation

G Em
Is makin' me late

G A
Is keepin' me waitin'

2. And I tell you how easy it feels to be with you
And how right your arms feel around me
But I, I rehearsed those words just late last night
When I was thinkin' about how right tonight might be

R: Anticipation...

3. And tomorrow we might not be together
I'm no prophet Lord I don't know nature's ways
So I'll try and see into your eyes right now
And stay right here 'cause these are the good old days

These are the good old days

G Em A D
And stay right here 'cause these are the good old days
