

What If

Simple Plan

Cmi As
What if I lead the way
Es B
What if I make mistakes (will you be there?)
Cmi As
What if I change the world
Es B
What if I take the blame (will you be there?)

Cmi B Cmi
B Es
B As B
B Es

Cmi As B
I remember going back
Cmi
To the place we used to lay
As B
But I keep losing track
Cmi As B
And now the days they all turn black
Cmi
And our dreams all start to fade
As B
But there's not turning back

As B
Cause, the world keeps turning
As B
My heart's still burning

Cmi As Es B
What if I change the world, if I lead the way
Cmi As Es B
What if I'm the one that takes the blame
Cmi As
What if I can't go on without you
B
What if I graduate
As B
What if I don't, what if I don't

Es
I'll be waiting here
As
I'll be waiting here
Cmi B
I'll be waiting here for you to call me

Es
What if I lead the way
As
What if I graduate
Cmi
What if I change the world
B

Would you still remember me?
