

# Troy

Sinéad O'connor

Ill remember it  
And Dublin in a rainstorm  
And sitting in the long grass in summer  
Keeping warm  
Ill remember it  
Every restless night  
We were so young then  
We thought that everything  
We could possibly do were the right  
Then we moved  
Stolen from our very eyes  
And I wondered where you went to  
Tell me when did the light die  
You will rise  
You'll return  
The phoenix from the flame  
You will learn  
You will rise  
You'll return  
Being what you are  
There is no other Troy  
For you to burn  
And I never meant to hurt you  
I swear I didn't mean  
Those things I said  
I never meant to do that to you  
Next time I'll keep my hands to myself instead  
Oh, does she love you  
What do you want to do?  
Does she need you like I do?  
Do you love her?  
Is she good for you?  
Does she hold you like I do?  
Do you want me?  
Should I leave?  
I know you're always telling me  
That you love me  
Just sometimes I wonder  
If I should believe  
Oh, I love you  
God, I love you  
I'd kill a dragon for you  
Ill die  
But I will rise  
And I will return  
The Phoenix from the flame  
I have learned  
I will rise  
And you'll see me return  
Being what I am  
There is no other Troy  
For me to burn  
And you shouldve left the light on  
You shouldve left the light on  
Then I wouldn't have tried  
And you'd never have known  
And I wouldn't have pulled you tighter

No I wouldn't have pulled you close  
I wouldn't have screamed  
No I can't let you go  
And the door wasn't closed  
No I wouldn't have pulled you to me  
No I wouldn't have kissed your face  
You wouldn't have begged me to hold you  
If we hadn't been there in the first place  
Ah but I know you wanted me to be there oh oh  
Every look that you threw told me so  
But you shouldve left the light on  
You shouldve left the light on  
And the flames burned away  
But you're still spitting fire  
Make no difference what you say  
You're still a liar  
You're still a liar  
You're still a lawyer
