

Beyond the Unholy Grave

Sinister

Messenger of evil
Haunting your soul
Laying in peace,
Taking my corpse

Demeaning it was hell
Drink it all to death
Trying to resist it,
Slow unholy breath

Beyond the unholy grave
Beyond the unholy grave
Beyond the unholy grave

Screaming in silence,
Writhing in mystery
Inside is spilled
With your brain

Demeaning it was hell
Drink it all to death
Trying to resist it,
Slow unholy breath

Beyond the unholy grave
Beyond the unholy grave
Beyond the unholy grave
